## May/June/July

### **Summer Term 2023**

We have lots of fun activities planned for this term, some of which are aimed at supporting children's transition to school. I have already sent out our road map to school for our leavers.

Our role play area will be turning into a school after half term and we have a road safety week and fire week planned with a visit from our local fire engine.

Our Pre-school tadpoles will soon arrive, and our Caterpillars will be arriving shortly, as the children learn about life cycles.

This term is our trip to the Mini trains on the Wednesday 5<sup>th</sup>

July; a letter will go out separately. We will also be practising and getting ready for our Sports day and Graduation on the Friday 14<sup>th</sup> July. This is our last day, Please note the change of date.

As the weather gets hotter please ensure your child has their sun cream applied by you before they come to Pre-school. Please ensure your child has a clearly labelled sun cream in their bag for re-application. A new sun cream permission letter has gone out for you to return.
