October-December 2023

Autumn Term

We would like to warmly welcome all our new and existing children to Pre-school. We hope you all had a lovely summer and are looking forward to an exciting term.

This term's focus is 'Child interests' and we are helping the new children to feel secure and happy in their environment. We will be talking about our families, home life and feelings.

We have lots of fun activities planned this term, inside and out, from finger painting, clay modelling, autumn crafts and many more exciting experiences. I have attached a rough draft of our planning; please excuse any typos it's a working document.

The children will be spending lots of time outside enjoying bikes, the climbing frame, obstacle course and sports games.

Our new light box and resources have arrived this was purchased from the May Fair PTA funds. You will receive your child's individual parent communication sheet, week commencing 17th October.

If you are new to Pre-school please bring a family photo for our home corner family photo wall. Please ensure this photo is a copy and not one you want back.
