

Fetcham Village Infant School Governors

What do our governors do?

The governing body's main aim is to help raise standards of achievement and make sure the school provides a good quality education for all its pupils.

The day-to-day management of the school is the responsibility of the head teacher and staff. Rather than manage, governors are there to help shape the school's future direction and focus.

Governors work as a team. Individual governors have no power or responsibility. It is only the full governing body which has legal duties and powers and all governors share in that corporate responsibility.

Governors attend school events and regular meetings, and read relevant reports and background papers. They are expected to attend 2 to 4 meetings every term, either full meetings of the governing body, committee meetings or working group/monitoring meetings.

The role can be divided into three main areas:

1. Ensuring clarity of vision, ethos and strategic direction;
2. Holding the head teacher to account for the educational performance of the school and its pupils, and the performance management of staff; and
3. Overseeing the financial performance of the school and making sure its money is well spent.

In broad terms these form the criteria by which Governing Bodies are assessed during OFSTED inspections

Our Governing Body is made up of representatives from Parents, Staff, our Local Community and the Local Authority and consists of three sub-committees:

1. Resources
2. Teaching and Learning
3. Community and Welfare

The Committee Terms of Reference are listed as separate documents.

Governors also take responsibility for key areas:

<ul style="list-style-type: none">• English• Mathematics• Special Needs• Computing• Science	<ul style="list-style-type: none">• Child Protection• Children in Care• Health and Safety• Data• Premises and Lettings	<ul style="list-style-type: none">• Sustainability/Eco Schools• General Data Protection Regulations• Staff Well Being• The Recovery Curriculum
